

OCCUPATIONAL HEALTH SERVICES

Penn Highlands Elk

Penn Highlands Elk is pleased to offer **OCCUPATIONAL HEALTH SERVICES** to help local companies manage the health and well-being of their employees. Many companies face government mandates by OSHA, the Department of Transportation or other regulatory bodies.

Our team is here to alleviate the burden for your human resources staff. We are experts in meeting government regulations, but more than that: we care about our local workforce.

Give us a call, and let us handle the health and safety of your employees.
