The **BREAST CANCER SUPPORT GROUP** meets from 6:00 - 7:30 PM on the third Thursday of the month, quarterly, at Penn Highlands DuBois or Penn Highlands Elk.

All breast cancer survivors at any stage – newly diagnosed or long-time survivors – can attend. It is for survivors only as its goal is to provide a comfortable place for listening, learning and sharing.

There is no cost, and it doesn't matter where a participant received treatment.
