PENN HIGHLANDS HEALTHCARE CARDIOTHORACIC & PULMONARY CRITICAL CARE CONFERENCE

REGISTRATION FORM:

ABOUT THE HEART CENTER

The Heart Center brings comprehensive, 24-hour specialized cardiac care to the region. Backed by state-of-the-art diagnostic equipment and a full range of inpatient and outpatient services, The Heart Center can perform life-saving, advanced cardiac procedures.

ABOUT THE LUNG CENTER

The Lung Center provides comprehensive lung care to the region. Providing the latest innovative treatment methods, patients receive the most advanced pulmonary care. The Lung Center has a highly-skilled team of lung care professionals who offer the most comprehensive and up-to-date coverage from initial assessment to diagnosis to follow-up treatment.

CUMULATIVE OBJECTIVE:

This Penn Highlands Healthcare conference will provide medical, nursing, and ancillary staff with guidelines and treatment modalities for heart disease and the future of cardiac surgery. Pulmonary topics will provide the attendee with information related to lung cancer screening, advances and treatment of lung cancer, and minimally invasive thoracic surgery. Topics related to critical care medicine will provide the attendee with more detailed information about the treatment of heart failure, pulmonary hypertension, shock and resuscitation, airway management and palliative care.
