

Penn Highlands Brookville

MEDICAL OFFICE BUILDING

88 Hospital Road | Brookville, PA

This is an exciting time for residents of the Brookville region as Penn Highlands Healthcare has completed construction of its \$5-million medical office building on the campus of Penn Highlands Brookville hospital. This project highlights the health system's continued growth and commitment to providing state-of-the-art facilities and services for the communities it serves.

SERVICES AT THE LOCATION WILL INCLUDE:

- Penn Highlands Family Medicine
- Penn Highlands Gastroenterology
- Penn Highlands General Surgery
- Penn Highlands Lung Center
- Penn Highlands Oncology/Hematology
- Penn Highlands Urology
- QCare Walk-in Clinic

The highly skilled and compassionate physicians, certified physician assistants, nurses, technicians and support staff are looking forward to caring for current patients and new ones at the modern facility.

Growing our footprint. Here. Here for you.
