### Just for You

May today bring a blessing that is just for you  
May it fill you with peach and your spirit renew.

May it wrap you in sunshine when skies are gray  
May it give you hope when hope's far away.

Any today when that blessing comes to you  
Could you pass it along to a loved one or two.

Or share with a stranger or someone in need  
And watch as your own cares seen to recede.
