

THE LUNG CENTER

RODNEY J. LANDRENEAU, MD
 BOARD CERTIFIED THORACIC SURGEON

Rodney J. Landreneau, MD, board certified thoracic surgeon, recently joined Penn Highlands Healthcare as part of The Lung Center and The Heart Center teams who provide advanced lung services to the region.

Dr. Landreneau has extensive experience in open and minimally invasive thoracic surgery procedures, as well as thoracic surgical oncology. Interests also include minimally invasive lung cancer and esophageal surgery, mesothelioma, diseases of the chest cavity, esophageal diseases, tumors of the lung and esophagus, esophageal achalasia, gastroesophageal reflux, esophageal diverticulum, esophageal stenosis, myasthenia gravis, interstitial lung disease and other diseases of the lungs. He also includes endobronchial laser, stent, brachytherapy management and lung cancer molecular biology among his clinical interests.

He received his medical degree from Louisiana State University, School of Medicine, in New Orleans, Louisiana. He completed a general surgery residency at Parkland Memorial Hospital in Dallas, Texas. He also completed a thoracic surgery residency at the University of Michigan in Ann Arbor, Michigan.

Dr. Landreneau's extensive career in thoracic and oncology surgery has included directorships of prestigious esophageal and lung institutes throughout the United States. Considered the leading lung surgeon in western Pennsylvania by many of his colleagues, Dr. Landreneau gained prominence locally as the head of the thoracic surgery section at the University of Pittsburgh in 1990. With more than 25 years serving western Pennsylvania, Dr. Landreneau will now bring his skill and expertise to the staff Penn Highlands Healthcare.

Dr. Landreneau is a member of many professional organizations dedicated to the prevention and treatment of esophageal and lung disorders including the American Society of Clinical Oncology, Society of Thoracic Surgeons, International Association for the Study of Lung Cancer and the Society of American Gastrointestinal and Endoscopic Surgeons. He is also a fellow of the American College of Surgeons and a member of the Pennsylvania Medical Society.

He has been named on the list of Pittsburgh's top doctors for several decades and has also won many

awards for his dedication to his patients and his profession. Committed to education, prevention and treatment of these diseases, Dr. Landreneau has served as a director and/or board member of many important patient-centered organizations.
