Available at Penn Highlands Healthcare

Helping Keep Your Employees Safe and Healthy

Penn Highlands Healthcare is pleased to offer **Occupational Health Services** to help local companies manage the health and well-being of their employees. Many companies face government mandates by OSHA, the Department of Transportation or other regulatory bodies that focus on workplace safety. Our team is here to help companies understand and implement these safety protocols. We offer full-service locations in Belle Vernon, Clearfield, Ridgway and Tyrone and additional services are offered throughout our other service areas.

We are experts in meeting government regulations, but more than that: we care about our local workforce.
