### Emergency Information Sheet

**I didn't get any response of any changes that need to be done.** Please, review your emergency information contacts & information. If that information needs updated, it is up to you to make changes & update. You can ask the office for a new emergency information sheet to complete. This paper is to be kept in your medicine cabinet in your apartment. If you need to seek medical attention, a copy of this form goes with you to the ER if you would be transported by ambulance. This form has your next of kin listed in the event they are not with you so the hospital knows who to contact. If this is not kept updated as changes occur, it will contain old information. It is very important to have accurate information on this sheet. Especially contact names & updated phone #'s to ensure that we can get in touch with the appropriate person in the event of an emergency.

### Exciting Ridgway News!!

A new Senior Center "Senior Junction of Ridgway" is open. It is located at the West End Fire Hall & open Tuesday – Thursday. Lunch is served those 3 days. You must RSVP the business day prior to having lunch. Lunch is by donation, \$4-\$5, suggested amount. I have attached the April calendar & meal menu for the Senior Junction. You can check the Saturday Ridgway Record, senior citizen section of the paper, for added monthly events at the center. We could go as a group for lunch. Any interest?
