Dr. DuGan was a respected doctor and family man. He enjoyed fishing for walleye with his family and playing with his dog NimZ (whose name is the initials of his beloved children). He was a Philadelphia Eagles fan along with being an avid Penn State wrestling and football devotee.

Lastly, Dr. DuGan enjoyed along with his sister, reading and watching all things zombie. They would often enjoy and share various zombie books. Therefore, we ask you to honor Dr. DuGan by transforming into your greatest zombie character on race day and share with us those photos via the IYR Virtual App (Its' Your Race) and use #DuGanrace2020 and #phhevents. We will then share those photos for all to enjoy!

Donations will be accepted online at www.phhealthcare.org/donatedubois. Please choose “Dr. DuGan Memorial Fund” under the designation tab on the donation page. All proceeds will benefit the Graduate Medical Education Program at Penn Highlands DuBois. Dr. DuGan was instrumental in the establishment of this program.

Tickets for the Dr. DuGan Memorial Basket Raffle are also available. Since we will not be onsite at the race venue this year for purchase, please contact the Penn Highlands Fund Development Department for an overview of the baskets and to purchase your tickets!
