

PARKINSON'S SUPPORT GROUP

The Rehabilitation Center

Join the Parkinson's Disease Support Group that is sponsored by the Rehabilitation Center of Penn Highlands DuBois.

The Rehabilitation Center of Penn Highlands Healthcare is proud to offer Parkinson's Support Groups for those who have been diagnosed with Parkinson's disease or another related condition, such as secondary Parkinson's disease, essential tremor, progressive supranuclear palsy, etc. The groups also are intended for family members or caregivers of someone with one of these conditions.

Join one of our groups for education, sharing personal stories and socialization with others who are going through similar situations.

There is no cost to attend, and it doesn't matter where a participant is receiving treatment. Family members are encouraged to attend as well.

Parkinson's Support Group

Meetings are held every third Wednesday of the month from 1:30 PM to 2:30 PM at the Parkside Community Center at 120 W. Park Avenue, DuBois. For more information, please call 814-375-3372.
